5. Mr. R.Balaji

• Key Stakeholders

The key stakeholders of the CSR programs will be primarily those communities, in which ISL has its business footprint. From these communities, the focus will be on children, youth and women.

Contributing positively to these stakeholders and improving their quality of life by providing sustainable solutions will be essential elements of ISL CSR efforts. The Company will prefer to work with the most underprivileged section of the society.

The Company will also engage its employees; wherever and whenever possible, to achieve its CSR vision.

- **Causes (thematic Areas) to support through CSR interventions**

ISL undertook a detailed stakeholder engagement to understand the needs and expectation of its stakeholders from the Company's CSR interventions. Based on this, the company has decided to support the following CSR causes as part of its CSR policy:

1. Water and Sanitation
2. Education and Skill Development
3. Domains of health and environment.

Company may look for the need based programs aligned to the activities listed in Schedule VII of the Companies Act 2013 (List of activities are attached as Annexure-I) and the rules framed therein or as modified from time to time.

- **CSR Programs**

In all projects, the Company will strive to create shared value for ISL and the communities in which it operates.

Program development

Every program must develop a proposal including information such as project description and duration, measurable objectives, information about the partner organization including proof of legal status, and amount of funding or other resources required.

Program approval

The program proposals must be submitted to the CSR Core Committee for their consideration and evaluation and thereafter to the Board of ISL for their approval. The programs will be implemented after receiving approval from the CSR Core Committee. However, in case the company needs to respond to an urgent need within their stakeholder community, the program may get implemented after obtaining the approval of the CSR task force and the same will be placed before the next CSR Core Committee for ratification.

Program implementation

The total costs for all projects will be within the CSR budget as per the mandate or as approved by Board of Directors.

Program criteria

All CSR interventions will have a project-based approach and wherever applicable, will comply with the items specified in Schedule VII of the Section 135 of the Companies Act, 2013 and the rules framed therein or as modified from time to time. Projects will be designed to fulfil strategic criteria according to relevant ISL global and regional policies and frameworks.

The company plans to undertake CSR activities mainly in the following areas:

1. Community drinking water supply
2. Sanitation facilities (with focus on toilets)
3. Education

• Annual Budget

ISL shall endeavour to spend, in every financial year, at least 2% of the average net profit or such amount as may be determined from time to time made during the three immediately preceding financial years on its CSR projects.

Net profit shall mean profit before tax as per books of accounts and shall not include profits arising from branches outside India. ISL proposes not to include the effect of exceptions items while determination of Net Profits to ensure consistency and stability in the CSR spend and budget determination.

Administrative overheads are the expenses incurred by the company for 'general management and administration' of Corporate Social Responsibility functions in the company but shall not include the expenses directly incurred for the designing, implementation, monitoring, and evaluation of a particular Corporate Social Responsibility project or programme and shall not exceed five percent of total CSR expenditure of the Company for the financial year.

From the annual CSR Budget allocation, a provision will be made towards the CSR activities made under relevant expenditure heads, on a year-on-year basis as per the amount spent on the activities covered under Schedule VII of the Companies Act, 2013 and amendments thereon.

CSR activities will not include the activities undertaken

3.2. The Annual Action plan shall be devised / altered by the Board any time during the financial year, as per the recommendation of the CSR Committee based on the reasonable justification to that effect.

- **Modalities of Implementation**

The CSR programs will be implemented by ISL either through itself or by any Specialized Agencies to facilitate the implementation of its various CSR activities in accordance with its stated policy in a tax efficient manner. Specialized Agencies include a Section 8 company or a registered public trust or society. These organizations should have CSR Registration number and registered under section 12A and 80 G of the Income Tax Act, 1961 (43 of 1961) and other criteria as required under Section 135 of the Companies Act, 2013 and its Rules thereon.

The CSR programs will be implemented by the grass root level implementation partners with an established track record with support from project management consultants and social enterprises, as may be required. It is being endeavoured to work with approved and recognised partners to ensure effective and efficient execution of the programs.

While availing services of consultants or any other organizations, the company will seek proposals from various consultants and organizations and will then make a final decision based on criteria which are critical to the success of that particular CSR program.

- **Monitoring Mechanism**

The Board of Directors has constituted a Corporate Social Responsibility (CSR) Committee of

the Board which formulates and recommends to the Board the CSR policy and the annual action plan. CSR core committee shall meet twice in a year or as and when the need arises to review and guide the CSR activities of the company.

The CSR committee to monitor the progress of the annual action plan, their manner of execution, modalities of utilization of funds and implementation schedules at the end of the financial year.

The Board of the Company shall satisfy itself that the funds so disbursed have been utilized for the purposes and in the manner as approved by it and the Chief Financial Officer or the person responsible for financial management shall certify to the effect.

Appropriate documentation of the ISL CSR Policy, annual CSR activities, executing partners, and expenditure entailed will be undertaken on a regular basis and the same will be available in the public domain.

CSR initiatives of the Company will also be reported in the Annual Report of the Company.

The CSR task force / working committee shall meet once a month or as and when the need arises to monitor the progress of CSR programs, CSR spending and review if any changes are required. During the half yearly meeting, the task force will also review the CSR policy to discuss if any changes are required in it. However, it may also meet at an early period in case of changes to a particular program or review of CSR policy is required.

At each of the program locations, the CSR programs will be implemented and monitored by the members of the CSR task force. The program managers will maintain their own monitoring schedule, as appropriate, to collect the required inputs from organizations, implementation partners and beneficiaries to ensure effective implementation.

The company may undertake an assessment, as and when needed, in order to evaluate the social impact of its CSR programs on the communities. This will also help the company to obtain learnings which will help increase program efficiency and scalability.

• **Reporting & Communications**

ISL will incorporate the details of CSR activities, including physical and financial process in the annual report of the company. The CSR activities will also be reflected in the annual accounts of ISL under the head 'Expenditure under CSR Activities' and will be mentioned in the Director's report. CSR task force / working committee will be sending the reports to the CSR Core Committee who will present the same during Board level CSR Committee's meetings.

The company will be communicating its CSR efforts to all its employees and external stakeholders through its own website and other appropriate dissemination channels.

The CSR policy of ISL will also be uploaded on the website of the company.

- **Exceptions & Deviations**

All exception and deviation to this policy shall be approved by CSR task force / Core Committee.

- **Policy Owners**

The CSR Core Committee is the process owner of this policy.

- **Amendment**

Based on the recommendation of the CSR task force / working committee and the CSR core committee, the Board of ISL can modify this policy unilaterally at any time to maintain compliance with local laws.
